## Mayor's Message

I hope everyone had a nice holiday season and I hope that you weren't too hard on yourselves with your New Year's resolutions. Our Town finished 2019 with beautiful Christmas decorations and awesome celebrations, putting an exclamation mark on a great year. Congratulations again to the winners of the Annual Holiday Decorations contest. We still have a few more months of cold weather to enjoy our favorite soup while in our favorite chair with our favorite blanket, watching our favorite movies & football, we are excited about plans for our Town's events, repairs and growth in 2020. We hope our signature events (The Redbud Festival, The Muddler and Dayton Days) will continue to get even bigger and better. Please know that your input, your involvement, and even your concerns show your pride in our Town and all is needed and appreciated.

So as the countdown to spring begins, and you need a reason to try out the new tennis shoes you got for Christmas, let me pass along a few ideas.

You can try them out visiting our downtown shops, restaurants, businesses and parks. Then try them out walking to a new or different section of Town. You could try the Dayton Market, the greenway to Silver Lake...you get the idea! And, it's even more enjoyable when you invite friends to join you for a walk to explore and enjoy what I think is the best little Town around. I'll be watching for the new walking club!

And one more thing, I can't say enough about Team Dayton, our Town Council, Town Manager, our Office and Event Staff, the Public Works Department and our Police Department. Doing what they do for our very deserving citizens while not disrupting what makes our Town such a special place to live and visit is not as easy as they make it look. I want to send a giant thank you to you all for what you do.

And, to everyone in Town, I appreciate your kindness and I will continue to pass it along. Let's have another great year!

~Mayor Lee

## Manager's Memo

Happy New Year!

2020 promises to be a busy and productive year in the Town of Dayton. In December, Town Council and senior staff participated in a half-day professionally facilitated retreat. It was a worthwhile activity for all. We began by discussing with each other what we really appreciate about Dayton, what we think is going especially well, what we wish people knew about Dayton, what citizens tend to underappreciate about the Town, what we could do better and what we, as individuals, can contribute to Dayton's success. We then discussed the roles and responsibilities of the Mayor, Town Council, council committees, and staff. Priorities were discussed

briefly and will be better defined as we work through the budget process this spring. Finally, Town Council spent time learning how to best work productively as a Council and how to evaluate effectiveness.

It's important that the public understands the role of Town Council and that of staff. Council is a policy-making board. They are elected to represent the citizens by setting policy, approving and monitoring the annual budget, and hiring, directing, and evaluating the Town Manager. The Town Manager directs and supervises all other staff. Staff is involved in the day to day operation of the Town, carrying out policies developed by Council, and providing reports and recommendations to

Council. If you have a specific concern or issue (such as a street light, water bill, pot hole, zoning), it is best to call Town Hall and speak to the appropriate staff member. If an issue needs Council action, staff will take it to Council. Concerns taken directly to Town Council members will be redirected to staff as appropriate for action or consideration. Council members want to hear from members of the public, as they are your representatives and they are committed to being responsive to the needs of all citizens. However, their focus is at a higher, policy-related level.

The retreat helped us learn how to best work together in our respective roles. We all feel encouraged and ready to make this the best year ever for Dayton.

~Angela A. Lawrence

### Leaf and Refuse Collection Info

Leaf collection has concluded for the season. If you have more leaves, they must be put in paper biodegradable bags and set out on Mondays for yard waste collection days and be free of household trash, rocks & dirt.

Tree limbs and trimmings too large to bag must be tied in bundles not exceeding five feet in length and of reasonable size to allow convenient handling. Disposal of tree stumps, trunks or limbs larger than six inches in diameter is the responsibility of the property owner.

Visit Rockingham County's website at [www.rockinghamcountyva.gov](http://www.rockinghamcountyva.gov) for information on the disposal of brush at the landfill or call their office at (540)564-3159.

### Curbside Trash Collection Reminder

According to Dayton Town Code §7-5 & §7-6, trash containers are to be placed at the property line for collection and shall not be placed in the street or on the sidewalk in a manner whereby they will interfere with vehicular or pedestrian traffic. Containers shall be placed no earlier than 5:00 p.m. on the afternoon preceding the collection day and must be removed to a point at the side or rear of the structure not later than 8:00 a.m. of the day following collection. Please do your part to keep the sidewalks clear and our Town looking good.

"Adopt" a Town of Dayton event! Individuals, civic groups, non-profits, and businesses are encouraged to partner with the Town in assisting us with one of our events. It will be a great way to serve our community, earn service hours (great for students), promote your group, and provide a potential opportunity for fundraising. ### IMPORTANT INFORMATION

### CHIEF'S CORNER

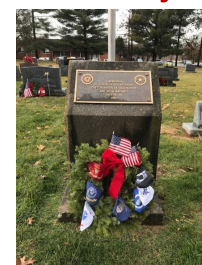

Enclosed in this newsletter is a survey that I would encourage all Town residents and business owners to complete. The purpose of this survey is to help us better understand how the Dayton Community perceives the Police Department and ask for input on how we can improve. The surveys may be filled out manually and returned to the Dayton Town Hall. Or, you may go online to [www.surveymonkey.com/r/XM95X7J](http://www.surveymonkey.com/r/XM95X7J). Surveys must be submitted by Friday, January 24, 2020.

I would like to thank you in advance for taking the time to complete this survey and giving us feedback on what you would like to see in the future from the Dayton Police Department. We feel that transparency is the key to a valuable community partnership between the citizens and the Police Department.

There will be another Coffee With a Cop event at the Dayton Market in late January. Also, later this spring, I will hold a Chief's Town Hall Meeting to discuss the results of the survey. Please watch the Town's website and Facebook pages for more specific details.

~ Chief Justin Trout

### Thank you from Fort Harrison

Thanks to all those who volunteered to make the National Wreaths Across America event on December 14th in the Dayton Cemetery a great success!

The winter season is still here and we want to extend a friendly reminder regarding snow removal from public sidewalks for the safety of our pedestrians.

Dayton Town Code §2-64, states that all persons occupying, owning or having charge of any property within the town shall be required to remove the snow from the entire sidewalk in front of such property within six daylight hours after the snow has ceased to fall, or the Town may have the snow cleaned off at the expense of the owner or tenant. We appreciate your support in complying with this code.
